

Einzel-
Reihengräber

This aerial photograph shows a cemetery with several distinct burial areas. In the upper left, there are rows of individual rectangular grave markers. To the right of these, there are rows of larger, more complex structures identified as urn rows. In the lower left, there are four green circular markers on the grass. In the lower right, there is a large area of grass with some small, low-profile markers. The cemetery is bordered by a road and some trees. A red car is visible on the road to the right.
